**BELOW BOXES MUST BE CHECKED BEFORE CONTINUING:**

- LOGO APPROVAL**  
 I warrant that I am the owner of the logo or that I am an authorised user of the logo. If requested, I can show proof or authority, such as a licence agreement authorising use of the logo. I understand that I am liable for any misuse.
- COLOUR VARIATION**  
 When print specification is CMYK, NDP prints to an industry colour standard through the use of standard ink densities. Due to equipment, paper, inks and other conditions between hard copy colour proofing and production pressroom operations, a reasonable variation in colour between proofs and final production is to be expected. If this variation occurs, it is considered acceptable performance.
- ACCEPTABLE TOLERANCE**  
 A ± 0.5-1.0mm tolerance in artwork variation, which may occur during the production process of this project, is considered acceptable by industry standard.

**CHECK ONE BOX ONLY:**

- ACCEPT**  
 I have read and fully understood this agreement. I have reviewed the artwork supplied, and confirm that it is all present, and that the details and quality are sufficient and without error. You may now proceed with the remainder of the service using the approved artwork.
- CHANGE & PROCEED**  
 I have read and fully understood this agreement. After reviewing the artwork, I have attached required changes. I give permission to then proceed with production, without further proofing approval, providing the attached changes have been made.
- NEW PROOF**  
 I have read and fully understood this agreement. Please resubmit a new proof including the changes I have attached to this agreement.
